SportsVision is associated with the successful design, launch, and promotion of some of the most recognized sporting brands and events around the world.

Benefit from our expertise and open yourselves to a multitude of ingenious and practical solutions. Whether it be for promotional or resale use.

Stand out by offering unique quality products that capture your one's attention. Something different; an item that's well thought out and surprising.

Choosing a unique product plays a key role in the impression left. Whether it be for a day or even years up the road, these products carry your name and image.

THE PERFECT MARKETING TOOL

Whether you're a brand or event looking at increasing visibility and exposure, SportsVision's diverse product offer ensures the greatest quality, comfort and pricing considerations.

CUSTOM BUILT

SportsVision satisfies your needs with the right product.

You'll discover an array of smart items already designed and ready for immediate use. These are proven products.

In case you're looking for something that we haven't shown yet, please let us know. Chances are we've already made it or can custom produce it for you !

Remember, because you have specific needs in terms of budget, quantities, quality, logistics, our in-house team will assist in each step; from design to delivery. Contact us for true custom service.

GETTING THERE

Achieving effective merchandising from SportsVision is an easy 4 steps;

CHOOSE YOUR POSITIONING

What kind of image/ quality needs to be portrayed?

SEND US YOUR ID

Send any imagery, logos, or color schemes you may have or want.

PRE-ORDERING CONSIDERATIONS

Indicate quantity, timeframe and budget.

VALIDATE YOUR ORDER

Item is selected. We produce digital mock-ups. Once validated, production is launched.

Each product has it's unique considerations: sampling, production timing, shipping. We'll inform you of each for best planning.

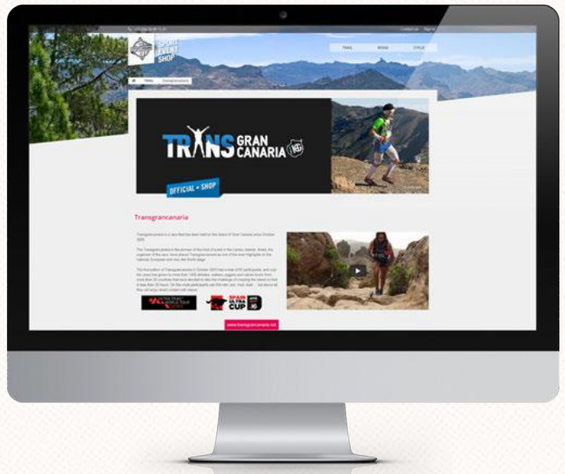
SIGNAGE / COMMUNICATION:

Whether it's defining or creating your event's logo/ID, or maximizing visibility with effective tools/signage, our graphics team ensures your event's success.

ONLINE EVENT STORE:



Our in-house graphic designers, administrative and logistics team can set up your custom online store **AND** manage orders/deliveries from our platform.

Easy, hassle free and effective operations. This lets our clients concentrate on doing what they do best, organize events.

Take advantage of a great opportunity to make additional sales and revenue through unique merchandising.

DEVELOPMENT

Are you a sporting brand looking for a competitive edge ?

Years of experience in the sporting business brings us the insight needed to accompany your brand. Each project is an adventure we grasp with excitement.

What we do best:

Consulting, Product Development, Marketing & Promotion

We start with an in-depth analysis of your product's needs and positioning. We consider pricing, budget, and technical considerations. We bring solutions as to design, sourcing, sampling, production and packaging.

We'll be glad to bring you open-mindedness, creativity, hands-on experience and confidentiality.
